Norway Won Championship

Final Game Best Seen in Lewiston Armory

Norway High School basketball won the championship of Western Maine last night at Lewiston Armory, Friday night and Saturday. The boys defeated Portland Harbor in the preliminary, 26-19; Gorham in the semi-final, 26-19; and Standish in the final, 16-14. A cup, medals and trophies are the rewards for them. The comments on all sides about them, fast playing and basketball knowledge, showered on them.

Friday afternoon and evening Gorham defeated Jay 24-22, and Standish won from Winthrop, 35-22. Oxford, after defeating Hallowell with a good margin, lost during the last quarter and finished on the small end, 31-25.

In the evening, Norway took a snappy game from Portland Harbor with a spectacular display of team work and elegant basketball ball. Norway was slow getting away and her opponents had a number of baskets tucked away before Jimmy Cole's Colts limbered up. The second period was a run-around for Norway, final score being 39-18.

Championship Final

The championship final brought Norway and Standish into the line light for the evening show with Norway supported by a large delegation of town fans.

Norway opened in good form and had a fairly safe lead during the half which ended 12-4. The team went through the third period without sinking a point while Standish hit Norway for 10 points, leaving the score 12-10.

The final period of 8 minutes was a battle royal as Standish tied the score 12-12. Two fingers on the foul line gave Standish a two point margin, but Tervo, with a long shot, dropped a floor basket that made the score 14-11. With two minutes to go, Jackson tossed the ball through the ring from mid floor and recorded the last point for the tournament and won the title for Norway.

County Meeting of Democrats

Seventy Attend Gathering at Grange Hall Tuesday

One of the best and most enthusiastic meetings of the Democratic County Committee was held at Grange Hall Tuesday evening. Oxford County was well represented with delegates from Rumford, Paris, Fryeburg, Bethel, Waterville, Oxford, Denmark, Brownfield, Mexico, Dixfield, Hartford and other towns. This was an excellent showing, considering cold weather and rough, icy roads.

An oyster stew and cold meat supper was served at 7 o'clock with seventy present. A business meeting followed in the upper hall, with ninety in attendance. Chairman of the meeting was Paul Thurston of Bethel, Oxford County's candidate for governor.

As the principal speaker was unable to present, the meeting was left open for general remarks pertaining to organization for the June Primaries. Optimism was the keynote and each speaker voiced the sentiment of his community that the party is still alive and active with excellent prospects for a good showing this year.

This was the third committee meeting held within the past two months and there has been a large increase in attendance each time. Another gathering will be held in May.

RAISING MONEY

Raising school money provided an opening for lively discussion and a strong tendency to cut deeply into the \$30,000 recommended by the school committee. George F. Hill and L. M. Carroll spoke in favor of reducing the amount to \$24,000. Hugh Pendexter, Robert B. Dow and L. Fred Pike also urged economy, but did not think a drastic cut from the committee's recommendation a wise move. Last year the appropriation was \$32,500. A vote was passed to raise \$24,000.00.

RAISING MONEY

The next clash was in the town officers' salaries. The budget committee believed \$15,000 was about right, but it was voted to raise \$2,800.00. Highway money was granted without serious discussion. Some facts were called for about the Harrison-Norway road, which will be made a Federal highway should Harrison and Oxford agree to the three-year plan. A. T. Towne stated that in the connecting link Harrison had 2.7 miles, Oxford 1.9 miles and Norway 1.8 miles to build. Vote was unanimous to raise \$4,500.00 for this project, also for the state aid highway from Noble's Corner toward Greenwood line.

RAISING MONEY

The Home Economics course appeared doomed for every member of the committee. A vote was passed to share the appropriation on a 50-50 basis. Designating the districts and streets to be sprinkled was left with the assessors.

RAISING MONEY

It was due and payable Nov. 1, 1932. Interest of 6 per cent will be charged after Dec. 15, 1932. The treasurer was authorized to borrow for anticipation of the tax levy and give short time notes.

RAISING MONEY

Mr. Madden, representative of an insurance company, explained group protection for every member of the corporation. Under the terms, \$1,000 would be paid, in case of accidental death; the sum of \$15 paid every week for 52 weeks and \$15 for medical expenses for 52 weeks. Protection starts at the first alarm and remains in force during every call until firemen are excused from duty. Every man, whether or not he is a member, is a bystander, called in an emergency by the chief, receives this protection. L. Fred Pike spoke in favor of raising \$175 for the medical fund. He called for a policy, and his motion was carried without a dissenting vote.

RAISING MONEY

The corporation accepted Ordway Grove as a public playground or park for the people of Norway. Some to be conveyed to a local corporation, and pay rental yearly a sum not exceeding the taxes assessed. Following is a copy of the article, the same being on record at the annual town meeting in 1931.

RAISING MONEY

Art. 18. To see if the Corporation will vote to accept the use of Ordway Grove as a public playground or park for the free use of the citizens of Norway, said grove to be conveyed to such local corporation as may be suggested by Don C. Seize, Henry B. Foster, Clarence M. Bowers to the driveway of David Frost house was passed over after some discussion.

RAISING MONEY

Meeting adjourned at 4:30 p. m., after being in session five hours. It is estimated attendance in the afternoon was 600, at least one-half being women. Several took part in the discussions and handling of the votes. Practically all marched to the ballot box.

RAISING MONEY

A comment was passed that the meeting was one of the old fashioned kind and that the answer, "according to the regular business meeting followed by a social hour followed and the dance next Saturday night."

RAISING MONEY

A St. Patrick's cabaret dance and program will be given in the hall Thursday evening, March 17, with all the features and decorations to make the affair a success. Refreshments will be sold. Music will be furnished by the Isle O' Blues. The Auxiliary is conducting a "Keeping America" contest for all high school pupils. Subject, "Life and Character of George Washington." The winning essay will be entered in the district contest. If successful there, it will appear in the district contest.

RAISING MONEY

A medal contest will be conducted in the eighth grade for essays of special merit, the subject being "Keeping America American." Much interest is being shown in this worthwhile contest.

A TRUE INCIDENT

Hello Cousins: Here I am, back again, like the Proverbial Bad Penny, all ready to tell you another true story. This one happened when I was about nine years of age and lived at home with my parents, sisters and brothers, on a farm that had a large pasture, and there were deep woods on the outside of the pasture and into its cool depths the cattle liked to linger. At that time there were two large oxen that father was pasturing for a man that lived some miles out of town. The pasture wasn't far from the buildings.

NORTH WATERFORD

Antie B. Hazelton and Bernice Littlefield had charge of the dinner, Thursday, for the Council meeting, with a good attendance.

A C. S. Cheever is now gaining. A very interesting Grange meeting was held with a goodly number present and a good program. Refreshments of sandwichees, doughnuts and cocoa were served at the close of the meeting.

Those who didn't attend the drama, "Thin Finks", played Friday night, sure to know what they missed, for it was one of the best and each took their parts in a fine manner. This was the carnival drama, postponed on account of sickness then.

Antie Hazelton is soon to close her store.

Mr. and Mrs. Albert Starbird and son, South Paris, have moved into the house with her mother, Mrs. Grace Wood.

WATERFORD

There was a good attendance at town meeting and the dinner served by the Circle of the church was well patronized.

The social and moving picture shown on Friday evening called out a good crowd. It was very much enjoyed. The picture was with the exception of the reels, were taken by Mr. Lockwood and were mostly local views.

Mr. Lockwood has a fine camera, moving picture machine and a screen and the pictures showed clear and steady and very beautiful. They included views taken in the woods of logging operations, the work of ice harvesting, clearing and making a play ground at the schoolhouse, the shores of Keoka Lake, as seen from a motor boat, plowing the roads with the tractor and snow plow after the biggest snow storm of the winter, the children with their sleds, snow shoes and dog sled, having a carnival in the village, etc. The snow scenes were especially pretty.

The work of setting up the Christmas tree on the common was shown and the raising of a truck which broke through a bridge at the East Waterford mill was thrilling. Mr. Lockwood also showed two reels which were not taken with his camera, one a scene in the frozen north, the other a comedy, "Snooky's Fresh Hair."

A social with dancing and refreshments followed. We understand that some of the men were sponsors of this social and they proved themselves good entertainers.

At the bridge game on Thursday evening, Mrs. Dora Rounds and P. A. Morgan were high point winners.

Miss Louise Stone was at home over the week end.

Miss Millett is staying with her grandparents, Mr. and Mrs. L. Millett, and attending school.

The children and some of the grown people have been enjoying the fine snow crust which we had for several mornings last week. Some of the children have been tapping trees for maple sap to boil into syrup.

BEAUTY WISE WOMEN KNOW THIS

Many women believe that the purpose of face powder is to cover the skin. But women who are wise in the ways of beauty know that the correct function of face powder is to bring out the warm tones of the skin.

That is why they use Cara Nome always—because the extra fineness of this smooth-spreading powder brings out the delicate skin tints, rather than making them beneath a thick powdery layer.
